PRODUCT DESCRIPTION

BLENDER® DEGREASER GRILL It is a high-performance degreaser and ready to be used in its original container, ideal for deep cleaning or daily grill maintenance.

BLENDER® DEGREASER GRILL penetrates surfaces, emulsifies existing oils or greases, and finally allows for easy rinsing. The formulation and concentration of **BLENDER® DEGREASER GRILL** provides excellent cleaning performance.

BLENDER® DEGREASER GRILL It is formulated 100% water based with biodegradable materials so it does not represent any risk to the user or the environment in which it will be used.

Use:

- Grills and / or grills in which red, white meat, fish, vegetables, and BBQ in general are cooked.
- To degrease grill or grill tools.
- All that Grill and / or Grill in which the spilled grease represents a cleaning situation.
- Auxiliary support in cleaning pans, irons, and kitchen utensils with situations of grease or oil in them.

FEATURES AND BENEFITS

- Biodegradable product and 100% water based.
- Easy application and simple rinse.
- Light and pleasant citrus aroma of Grapefruit.
- Quickly and effectively removes grease and oils.
- Free of VOC's, lead and heavy metals.

PRESENTATION AND PERFORMANCE

BLENDER® DEGREASER GRILL It is available in 24 oz containers with spray applicator and can be delivered individually or in boxes with 9 pieces. All products are perfectly identified with name and lot number.

TECHNICAL DATA

• Appearance	Magenta liquid
• Odor	Grapefruit citric
• Toxicity	None
• Relative Density	1.020
• PH undiluted:	9 - 11

APPLICATION**Product Preparation:**

Before using **BLENDER® DEGREASER GRILL**, shake the container perfectly to completely homogenize the material.

- Prior to application **BLENDER® DEGREASER GRILL** remove excess grease with a wet grill brush from the surface to be treated.
- Apply **BLENDER® DEGREASER GRILL** on the grill to be cleaned and leave on for 5 - 15 minutes.
- The color of **BLENDER® DEGREASER GRILL** will change as it combines with PH of grease until it becomes a white liquid.
- When the shade is white and the mentioned time has elapsed, brush the surface and remove loose materials with plenty of water.

It is recommended to repeat the operation in areas where oil, grease or other contaminants still remain after the first application. This product is a facilitator in the removal light grease and oils, which means that it requires the support of mechanical cleaning tools.

**BLENDER® DEGREASER GRILL****FOR BEST RESULTS**

You can apply **BLENDER® DEGREASER GRILL** with rigid and / or soft bristle brushes, depending on the cleaning depth you are looking for.

Caked or glued surface grease should first be brushed.

CAUTION

Avoid freezing this product. Avoid contact with the eyes. Do not consume this product.

Please refer to the product material safety sheet (MSDS) before using.

STORAGE

BLENDER® DEGREASER GRILL should remain closed and in a dry place when the product is not being used. Under normal storage conditions the product has excellent stability, does not require special handling precautions. Its shelf life is 1 year in perfect storage conditions.

LIMITED WARRANTY

This product, its materials and its manufacture are warranted to be free from defects under the quality control standards in accordance with Blender Group®, S.A. de C.V.

All recommendations, statements and technical data attached are based on evidence that we believe to be reliable and

correct, but the accuracy of such evidences is not guaranteed and does not provide any guarantee, expressed or implied, including warranty of appropriate use or market respect to its products. Satisfactory results depend on many factors that go beyond Blender Group® control.

The user must rely on his own information and tests to determine the suitability of the use of the product, and user assumes all risk, loss, damage, expense and liability resulting from his direct or indirect use, or the consequences of product use. Blender Group® shall not be liable for injury, loss or damage to purchasers or third parties injured by direct or indirect use resulting from the use or inability to use the product.

The sole responsibility of Blender Group® is to replace that portion of the product that proves to be defective. Any claim

for warranty must be made within six (6) months from the date of the claim. This limited warranty applies only if the product was properly installed and used in accordance with the instructions and stored properly prior to use.
